## **Hill Country Payroll Moves to New Office; Introduces Enhanced Tax Filing and Payment Process**

### **Leading Payroll Provider Moves to New Location in Round Rock; Streamlines Tax Filing and Payment Process for Clients**

**Round Rock, TX (July 12, 2007)** – Hill Country Payroll, Inc., a full service payroll provider serving Central Texas for over 12 years, has moved to a new location in Round Rock, Texas. The new office is located at 1104 South Mays, Suite 220.

“With the business growth in Williamson County, having a centrally located office has been a tremendous asset to our clients” said Writ Baese, one of Hill Country Payroll’s owners. “We are fortunate to be part of a very dynamic business community. Hill Country Payroll has experienced tremendous growth over the last year as part of our expansion in the Round Rock, Pflugerville, and Georgetown area.” Baese also added that “the most exciting element of the growth has been the opportunity to expand our service offerings. These developments have not only dramatically improved our clients’ workflow, they have also led to significant reductions in operational and labor costs for the businesses that we serve.”

Hill Country Payroll’s Enhanced Tax Filing and Payment Process was introduced at the end of June. “By streamlining our existing process, we have set ourselves apart from the industry” added Baese. “We are providing unparalleled visibility into the process while completely removing the burden from the business owner.”

More information on Hill Country Payroll's Enhanced Tax Filing Service as well as other customized programs can be obtained by calling (512) 828-4800.

### **About Hill Country Payroll**

Hill Country Payroll, Inc. is a regional provider of payroll processing services. Founded in 1995 by Arlon Baese, Hill Country Payroll provides payroll processing services to many small and medium sized businesses in Central Texas and throughout the state. The company offers a wide range of services including Direct Deposit, Electronic Tax Filing, and Automated Timekeeping. These services are highlighted by PlatinumPay, Hill Country Payroll's online payroll system. PlatinumPay gives you the control, security, and convenience of updating all of your employee records, payroll, and HRIS information from one centralized and secure web based location.
